It is your fault that the ground will once again be soaked with blood
That is...

A puppet with no warmth cannot kill me
I believe I said that before

The bow is meant to be broken
(N/Elohim - "God(s)" used frequently in the Hebrew Bible)

I AM ONE WHO VEILS CURSES AROUND MY BODY LIKE GARMENTS
Deep cut
ENTER THE INTERNAL ORGANS AS IF IT WERE WATER
THOSE BONES WILL LIKELY BE TAINTED WITH CURSES AS IF IT WERE OIL

CONTROL'S BEEN LOST BECAUSE OF SOLOMON'S CURSE!

I can't maintain this body for long...
The angels are Going back...

...Solomon's Ring
As long as I have this
I will no longer be shackled by disease-!
As long as I put this on...!

How far have you gotten with that ring
Brother!!
That's King Solomon's inheritance
It came from a tomb that resembled Queen Sheba's grave
.....
There's no mistake
That's the real deal...

Thomas
That Ring is Dangerous
Sh...
Anyway, With the authority as the Head of House, I will seal it
It is hard to believe that in such a distant land,
a relic with such deep ties to our bloodline would be found
I believe I had enough authority too

Yet, the one that was chosen once again,
Was my brother
GUUUHH
GOUHHPH
Cough

I'm fine, brother

HUFF
HUFF
...After blending blood with wine taken from the eastern lands
Breaking off a branch of oak and giving it to a single-eyed snake to drink
Learning your language took time
You've finally come

It is not rare for someone close to death to see my appearance
Israel's 'Bringer of Death'
Samael
There is something I want to sacrifice to the Devil
Oh?

I will send one of the things that the Devil wants above all else to the otherworld
My brother is in possession of that ring of Solomon
Solomon was known for his wisdom and was the chosen one of God who even the Devil could not defeat
The Devil must want the ring!
In return, I want to become Solomon
Death to my Brother-!

DISEASE IS NOT THE REASON WHY YOU ARE DYING
BECAUSE THEY DO NOT CARRY DISEASE
THE GODS OF DEATH
...Gods of Death?
I'VE SEEN YOU CARRY MILITARY FEVER IN THE PAST
AND YOUR RECURRENT FEVER BROUGHT BACK FROM THE CONTINENT
YOUR ROLE IS THAT OF A DISEASE-BEARER
BY EXPOSING ANCIENT TOMBS, THE ROOTS OF DISEASES THAT SHOULD HAVE DIED OUT CAUSE AN EPIDEMIC IN THIS WORLD ONCE AGAIN

The demon told me that I was one of the Four Horsemen of the Apocalypse
DID YOU THINK THAT YOU WERE ONLY EXCAVATING RUINS BECAUSE OF YOUR INTEREST?
killing people to adjust the population of the world
This world's god of death
I immediotely come down from the mountoin and returned to Englond

My disease was cured
Instead, ninety thousand people just in London, died from tuberculosis that year
I researched deeply about my roots
And succeeded in getting into contact with the Christian Family who bore the same fate of the Four Horsemen

The fumes from the Christian Family's factories will explosively increase the number of TB patients
This world is too well done
That's right, pairing with him is killing two birds with one stone
It's an extremely simple theory, isn't it?
